

Left Hand Water District
P.O. Box 210
Niwot, CO 80544-0210

To Whom It May Concern:

I hereby request the District to adjust the pressure regulator or to replace the existing regulator in the meter pit for the address listed below.

It is understood that a pressure regulator is a mechanical device and as such may fail to operate properly. It is understood that I will assume all responsibility and hold the District harmless for any damages which might be caused by higher pressure to any piping, fittings, hoses, valves, appliances, or fixtures past the outlet of the meter installation.
