

2011 Water Wise Gardening Class Information & Schedule:

We are remodeling areas of our garden to feature more Plant Select specimens that will grow well in our climate. Landscape Architect Joan Sapp will teach a class on garden remodeling in April, and we hope the class can choose another date to see the new areas of the garden when they are established.

Remodeling Your Garden

Saturday April 9th, 10:00am-12:00pm

6800 Nimbus Road, Longmont CO 80503

Jazz

Up your Plant Choices with **Plant Select**

Joan Sapp
Joan Sapp

Is one of our favorite gardening instructors, with her decades of hands-on gardening and landscape design experience Joan is designing the areas of our gardens to better show our existing landscape and all those new Plant Select plants that we just have to have!

Container Gardening

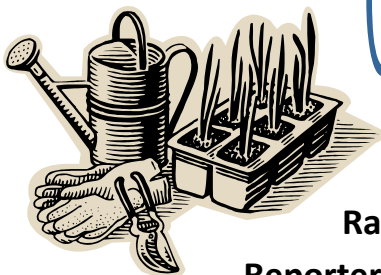

Thursday May 12th, 6:00pm-8:00pm

6800 Nimbus Road, Longmont CO 80503

Join us for an evening learning tips and tricks for successful container gardening. Class will cover the basics of what you need to grow, plus a discussion of varieties of veggies and ornamentals that are perfect for potted gardens.

Carol O'Meara

Is a gardening enthusiast in Boulder County, where she works as a Horticulture Entomologist for Colorado State University extension. Her gardening articles appear in the Denver Post, Colorado View magazine, Edible Front Range, the Longmont Times-Call, Longmont Ledger, Boulder Camera, and Loveland Reporter-Herald. Read her blog at gardeningafterfive.wordpress.com

Remember, space is limited so please call and reserve your place for these great free classes.
