

Left Hand Water District
P. O. Box 210
Niwot, CO 80544

To Whom It May Concern:

I hereby request the District to remove the pressure regulator from the meter installation serving my property and to reconnect the meter to allow full main line pressure to enter my service line.

It is understood that the pressure entering my service line may be more than 50 psi. It is also understood that I will assume all responsibility and hold the District harmless for any damages which might be caused by the higher pressure to any piping, fittings, hoses, valves, appliances, or fixtures past the outlet of the meter installation.
